CONSTRUCTION OF ROB ON RAILWAY CROSSINGS
Verma Shri Ravi Prakash

Will the Minister of RAILWAYS be pleased to state:

(a) whether the Government proposes to construct overbridges on the railway crossings of Malliyagaon, Lakhimpur Nagar and Rajapur of Uttar Pradesh;

(b) if so, the details thereof and time by which these overbridges are likely to be constructed; and

(c) if not, the reasons therefor?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU)

(a) to (c): No, Sir. Railways construct Road Over/Under Bridges in lieu of existing level crossing on cost sharing basis if the traffic density at the level crossings is more than one lakh Train Vehicle Units (TVUs); otherwise on deposit terms. Proposals in both conditions have to be sponsored by State Government duly fulfilling certain preliminary pre-requisites required under extant rules.

So far, no firm proposal has been received by Railway from the State Government/local bodies to construct Road Over Bridges at Malliyagaon, Lakhimpur Nagar and Rajapur.
